School Car Park: Reminder

Parents / carers <u>must not</u> park in the school car park. We have sent numerous messages and reminders about this but still we have some adults ignoring this. Could we also ask that you share this message with other adults that may collect your children from school.

School holidays

Please see the reverse of this letter for term dates, school holidays and INSET days for the next academic year.

Red Nose Day

Don't forget to bring your joke, rhyme or funny poem to share with your class tomorrow. A voluntary contribution of £1 will be gratefully accepted.

Lockdown Policy

We have decided to implement a 'Lockdown Policy' for the school. This policy ensures the safety of all children in a range of emergency situations. We have made this decision as a result of a number of circumstances, including the fact that twice, in the last six months, the Yorkshire Air Ambulance has landed on the school field. A lockdown would be implemented if children were at risk or if an incident, such as an RTA, happened at a potentially hazardous time such as at the end of the school day.

A full copy of the policy is available on the school website but the information below summarises the procedures.

During a lockdown

During a lockdown children will not be released from school and you should not try to come to school or contact school as this could cause severe delays in staff dealing with the situation. If necessary, communication with parents and carers will be through the school text messaging system.

Parents / carers will receive this message initially "The school is in a partial / full lockdown situation. During this time the phones and entrances will be unmanned, external doors locked and nobody allowed in or out."

During the lockdown you will be provided with enough information so that you will feel reassured that the school understands and shares your concern for your child's welfare and are doing everything possible to ensure they are safe.

Immediately after a lockdown

You will be contacted to say that the lockdown has been lifted and to advise on following actions.

After a lockdown

A letter will be sent home on the nearest possible day following and serious incident. This will inform you of the context of any lockdown and reinforce the importance of following procedures in these rare circumstances.

If you have any questions please do not hesitate to contact us.
